

# Surge Fee

April 11, 2025

Our goal is to ensure that we can continue to meet our customers' shipping needs without compromising on the quality or timeliness of service expected from us.

We will be implementing a Surge Fee<sup>1</sup> for all shipments originating from the Origins and Destinations detailed below, effective April 13, 2025. This fee is subject to Fuel Surcharge and will apply based on the billable weight of the shipment.

Please note that Surge Fees are subject to change. Shippers should continue to check page for updates prior to tendering shipments. See below for the applicable rates.

<b>Origin Country or Territory</b>	<b>Destination U.S.</b>
China Mainland	\$0.29per lb.
Hong Kong SAR	\$0.29 per lb.
Macau SAR	\$0.29 per lb.

<sup>1</sup>UPS reserves the right to adjust the rates for Surge Fee at any time in its sole discretion. No waiver, discount, or reduction of any type to Surge Fee shall apply unless and until UPS agrees in writing with specific written reference to the Surge Fee.
