UPS Worldwide Express Freight®

Fast, reliable delivery for high-value, time-sensitive palletized shipments, supported by UPS customs clearance capabilities.

To stay competitive, you have to stay ready

From the expected to the emergency, count on UPS to help your business reach the world's major markets fast.

Urgent Shipments	Fast transit times to meet your customers' needs
High-Value Goods	Maintain control to help ensure delivery and limit theft
Product Launches	Reduce transit time from manufacturing to distribution
Inventory Stock-Outs	Replenish stock to protect sales and increase customer satisfaction
Product Recalls	Efficiently manage replacements
Spare Parts	Keep production downtime to a minimum

UPS Worldwide Express Freight® service - Built For Urgent Freight

Speed, reach and reliability for palletized shipments

Fast, Day-definite Freight

Time-sensitive international shipping for palletized freight over 150 lb. (70 kg), with delivery in as little as 1 to 3 business days. Midday delivery is available in select markets when every hour matters.

International Reach

Door-to-door freight service across major global trade lanes, reaching more than 70 countries and territories through the UPS global transportation network.

Reliable and Guaranteed

Designed for high-value, urgent and business-critical palletized shipments. Midday delivery is available in select markets through UPS Worldwide Express Freight Midday when every hour matters.

One UPS Experience

One point of contact, account number, invoice and tracking system for packages and freight
