

Value-Added Services and Other Charges with Fuel Surcharge Application

Fuel surcharge will apply to the following value-added services and other charges listed below effective March 24, 2025. Fuel surcharge application will be determined by the shipment service level in accordance with those listed on [ups.com/fuelsurcharge](https://www.ups.com/fuelsurcharge), unless otherwise noted. See the current applicable UPS Rate and Service Guide for further details.
