Portugal

Service for Dangerous Goods

Authorized as an origin and destination for UPS-authorized "International Dangerous Goods," including:

• Dangerous goods as shown in the UPS IATA Accepted Chemical Table

• Limited dangerous goods service controlled by UPS International Special Commodities contract for UN1845 (Dry Ice), UN3373 (Biological Substances, Category B), Exempt Human Specimens or Exempt Animal Specimens, Unregulated Biological Materials, and Dangerous Goods in Excepted Quantities.

These commodities may only be picked up or delivered within the identified serviceable postal codes.

Back to Approved Country List

Effective 3 Apr 2017

SWEDEN

Service for Dangerous Goods

Authorized as an origin and destination for UPS-authorized “International Dangerous Goods,” including:

- Dangerous goods as shown in the UPS IATA Accepted Chemical Table
- Limited dangerous goods service controlled by UPS International Special Commodities contract for UN1845 (Dry Ice), UN3373 (Biological Substances, Category B), Exempt Human Specimens or Exempt Animal Specimens, Unregulated Biological Materials, and Dangerous Goods in Excepted Quantities.

These commodities may only be picked up or delivered within the identified serviceable postal codes.
