Canada

Service for Dangerous Goods

Authorized as a destination for UPS-authorized "Dangerous Goods," including:

● Dangerous goods as shown in the UPS IATA Accepted Chemical Table

● Limited dangerous goods service controlled by UPS International Special Commodities contract for UN1845 (Dry Ice), UN3373 (Biological Substances, Category B), Exempt Human Specimens or Exempt Animal Specimens, Unregulated Biological Materials, and Dangerous Goods in Excepted Quantities. These commodities may only be delivered within the identified serviceable postal codes.

● Limited Quantity and and other lightly regulated shipments offered for UPS standard to Canada are not permitted to Canadian postal codes that begins with the letters "X" or "Y." Furthermore, zips beginning with X or Y cannot accept ground/standard goods.

Back to Approved Country List

Effective 2 September 2022

DENMARK

Service for Dangerous Goods

Authorized as an origin and destination for UPS-authorized “International Dangerous Goods,” including:

• Dangerous goods as shown in the UPS IATA Accepted Chemical Table

• Limited dangerous goods service controlled by UPS International Special Commodities contract for UN1845 (Dry Ice), UN3373 (Biological Substances, Category B), Exempt Human Specimens or Exempt Animal Specimens, Unregulated Biological Materials, and Dangerous Goods in Excepted Quantities.

These commodities may only be picked up or delivered within the identified serviceable postal codes.

FINLAND

Service for Dangerous Goods

Authorized as an origin and destination for UPS-authorized "International Dangerous Goods," including:

- Dangerous goods as shown in the UPS IATA Accepted Chemical Table
- Limited dangerous goods service controlled by UPS International Special Commodities contract for UN1845 (Dry Ice), UN3373 (Biological Substances, Category B), Exempt Human Specimens or Exempt Animal Specimens, Unregulated Biological Materials, and Dangerous Goods in Excepted Quantities.

These commodities may only be picked up or delivered within the identified serviceable postal codes.

Back to Approved Country List

Effective 3 Apr 2017

FRANCE (mainland only)

Service for Dangerous Goods

Authorized as an origin and destination for UPS-authorized "International Dangerous Goods," including:

• Dangerous goods as shown in the UPS IATA Accepted Chemical Table

• Limited dangerous goods service controlled by UPS International Special Commodities contract for UN1845 (Dry Ice), UN3373 (Biological Substances, Category B), Exempt Human Specimens or Exempt Animal Specimens, Unregulated Biological Materials, and Dangerous Goods in Excepted Quantities. These commodities may only be picked up or delivered within the identified serviceable postal codes.
